*A dependent care allowance may increase the single student budget for certain categories of students (with children) who have little or no income.

**Tuition and fees subject to change by MSU Board of Trustees. Tuition amounts reflect full-time (12+ credits/semester) attendance. Tuition amounts, and therefore total costs, change when student attends less than full-time. Note: eligibility in most financial aid programs is limited to students enrolled on a full-time basis.

***Housing amount assumes double occupancy for off-campus living.
